Block bottom bags

We have a wide range of block bottom bags. Block bottom bags are very suitable for packing chocolate, nuts and sweets as the bags remain standing up, due to the flat bottom and rectangular shape. Block bottom bags are also widely used for packaging luxury items and gifts. Below you will find a variety of block bottom bags we supply.

Block bottom bags with sealed bottom

Block bottom bags with sealed bottom are made of OPP 40 my, transparent (unprinted). Due to the sealed bottom, the bags are 100% leak-proof. A sealed bottom is stronger than a glued bottom.
